

6/4/20

New Water Street Corp Construction Dock Pass

COMPLETE PRIOR TO GETTING IN LINE FOR ENTRY

NWSC is requiring each Tenant to designate a Responsible Party to conduct a Health Screening remotely or at an area away from the building per the current Interim Guidance for Construction Activities During COVID-19 Public Health Emergency as issued by the New York State Department of Health.

This form is to be completed by the Worker and the Responsible Party to Grant Access to the worker with the understanding that the worker has satisfactorily passed a COVID-19 Health Screening administered by the Responsible Party. Once completed, the form is to be presented to Security Guard for entry through the 55 Water St Loading Dock.
